

Become a part of our Kids Hope USA Team!

Mentor...Following a background check and training, you will be matched with a child in grade K-5. As a mentor you will model Christ's love by meeting with your child for an hour each week, during lunchtime or right after school. We also have two KHU sponsored events in addition to the weekly mentoring sessions.

A mentor must:

- Love children and be sensitive to their needs
- Do all safety background checks/training
- Model Christ's love
- Have his/her own transportation
- Maintain a confidential relationship
- Have a prayer partner backing your mentor/child relationship
- Be a member of Ottawa Reformed Church

Substitute Mentor...Following a background check and training, your name will be on a list for mentors to call if they are sick or unable to make it to their mentoring session. You should meet the same qualifications as a mentor.

Prayer Partner... As a prayer partner you will commit to faithfully praying for a child and their mentor. Contact your mentor on a regular basis to discuss needs and the progress of your KHU child. Offer encouragement and appreciation to the mentor by calls, notes, emails or in person.
