Welcome Center Hints

1. Smile! You are representing Ottawa Reformed Church. Show God's love!
2. When a visitor approaches the Welcome Center, welcome them, introduce yourself, and ask how you can help them.
3. Ask if this is their first time visiting.
4. Give them a black Welcome folder and go through it. Answer any questions you can. If you are not sure of an answer, then seek out someone you know who could help them (a pastor, staff, elder, etc.). There should be two people staffing the Welcome Center. The other person could seek out someone who can supply the information while you continue to talk with them.
5. Have them fill out the visitor card and place it in the basket provided.
6. Thank them for worshiping us and that we hope they join us again. God bless and have a great Sunday!
