"Apologetics 101: An introduction":

If you run into someone who you know is not a Christian, or you are out doing evangelism with a group of people from church or a small group, how do you explain to a random stranger, friend, or co-worker that it is an undeniable and irrefutable fact that God is real? If you know the person is an atheist, agnostic, or is questioning what they believe, do you tell them that you know God is real because the Bible says so? Do you tell them that you know God is real because your parents told you so? Do you tell them that you know God is real because you feel that He is real? What evidence is there for creation? What evidence is there for a Creator? What evidence is there for a Personal God? Apologetics and Philosophy can answer all these questions.

Meets in the Fireside Room
Led by Luke Nagelkirk

WEDNESDAY NIGHT OFFERING

Our Wednesday Night Offering, collected from September to December, is going towards purchasing items for Operation Christmas Child, a Samaritan's Purse project. This international relief organization collects shoebox gifts such as toys, school supplies, and hygiene items and delivers these shoeboxes around the world as a means of reaching out to children with the Good News of Jesus Christ! For many of these children, it is the first gift they will ever receive. Let's see how many shoeboxes we can put together!
