

Schedule for Coffee & Juice Preparation – Ottawa Reformed Church

Thank you, for your continued support and help in preparing, serving and cleaning up for our coffee and juice ministry. We have learned that having the beverages available helps to encourage the fellowship within Ottawa. If you have a conflict, please feel free to contact alternates or switch with other team members. If you have questions you may call Marie Grassmid at 875.8004.

Coffee Directions:

- **Make 1 pot of Decaf. and 5-6 pots of Regular coffee.**

Juice Directions: (12 pitchers)

- Use the plastic pitchers; add some water to the pitcher first, then add 2/3 cup of mix to the pitcher.
- After adding the mix, continue with water and stir and place in the refrigerator.
- As part of the clean up, put the **remaining juice in the large plastic tub and store in refrigerator.**

NOTE: Containers of juice and coffee are kept in the cabinets located in the kitchen/Hospitality Center area.

Clean-up:

Please wash, dry and put away the pots, pitchers and supplies.
